Please complete registration forms prior to ride meetings. [Registration Form](#) & [Release Register Online](#)

**RIDE FEES:** NACMO SANCTIONED RIDE EACH DAY  
Members \$10.00/day for adults, \$5.00/day for juniors  
Non-members \$15.00/day for adults, \$10.00/day for juniors  
First Time Riders \$5

**CAMPING:** Reserve your site at [Ukarydee | Arkdale, Wisconsin | Check Availability or Make a Reservation | ResNexus](#).  
Ride manager will be in site #1

**FACILITIES:** Ukarydee has 50 spacious campsites. Each campsite provides a place to keep your horses and convenient access to water & electricity. All campsites are designed to provide drive-through parking and require little or no backing.

**TRAILS:** The Castle Rock Trails provides hours of enjoyable riding. The trails are sandy and are easy to ride. Many of the trails allow beautiful views of the Wisconsin River, Castle Rock Lake, The Roche a Cri, Waller's pond, and other smaller ponds along the way. The trails provide a variety of riding grounds, including pine plantations, prairies, and oak forests.

**POTLUCK:** Dinner on Saturday night. Brats, Hamburgers & Hotdogs will be provided by ride management. Bring your own plates, utensils, beverage, and a dish to share.

**DIRECTIONS:** Go south on Hwy Z to the first intersection (Cumberland). Go west on Cumberland, go through one stop sign and look for the first driveway on the left after the stop .

*Competitive Mounted Orienteering (CMO) is a timed event. The ride manager has set up from 5 to 10 paper plates, called markers, in a given area. You will be given a map with the general area of the markers circled, along with a list of clues to find the marker. The clues will describe something in the area - perhaps a specific tree, a log, a rock, or a shelter, along with a compass reading. Each team then decides their route to each marker, locates the landmarks from the clues, and finds the marker using a compass. Write the letters found on the marker on your map to verify that you were there and then ride on to the next marker. Ride as an individual or a team of two or more. You may ride one day or both days. Bring your horse, your compass (non-electronic), and be prepared for a great afternoon of riding! Ask the Ride Managers if you need instructions.*

*Ribbons are awarded for the 1st through 6th place teams each day in the long course and 1st through 3rd for the short course (two ribbons per team). Points are kept on a state level and national level, and year-end awards are also given at the annual banquet.*
